

April Book Report Due April 1, 2015

FANTASY/SCIENCE FICTION – This is a made up story, but it is not likely to happen in real life. It might include animals that act like humans or aliens from outer space.

Choose one:

Create a Movie Poster

For this project, you are to pretend that your story is about to become a major movie and you have been chosen to design the promotional poster! Your poster must be eye catching and creative!

- Be sure to include on your poster: title, author of the book, a listing of the main characters in the book and actors/actresses who will play them
- **See summary requirements below!**

Remember, this is your chance to convince your teacher and classmates to come see your movie!!

Or

Create a Commercial

Write and tape a commercial for your book. You could videotape yourself advertising the book, or you could use a tape recorder or GarageBand and record yourself, such as a radio advertisement. Make sure you include the title, author, characters, setting, and plot. But don't give away what will happen in the end!

- **See summary requirements below!**

Or

Create a Movie Scene

You could make a Movie of your favorite scene from the story.

REMEMBER: This book project will be graded on the visual, the presentation, and the summary. It will need to be well thought out and organized!!! Have fun and if there are any questions, it will be your responsibility to come and ask!!!

- **See summary requirements!**
